

Lalilicious~may its fragrance encompass you

~KishanShrivastava, <http://www.lalicious.net>

I'LL  
HAVE  
YOU LOOK  
BEAUTIFUL.

SEET

W... WOO... OOW!

THAT SEEMS  
TO HAPPEN  
WITH MAKEUP.  
FOR SOME  
REASON, IT'S  
ALL ABOUT  
WHO AP-  
PLIES IT.

HMM...

Unaid

Maybe it's the  
way I  
do your  
eyelashes

And the  
color I  
picked

DON'T  
I LOOK  
LIKE YOU,  
KIND OF?

IT'S A WORK  
OF ART,  
HUH?

And if I  
take a  
picture?

YOU'RE  
AMAZING,  
MATSU-  
MOTO!

BUT...

.....  
CAN I  
GIVE YOU  
A KISS?

Now that  
I've grown  
up a little...

I wonder  
if I make  
Matsumoto's  
heart race  
too?

OH!

GO RIGHT  
AHEAD.

# Pure Water Adolescence Perfect Edition 205/2 Kazuma Kono

Ah.  
That was  
definitely  
intentional.

Well, that's  
what happened.

It contains  
pretty much  
everything I've  
ever drawn of  
Nanase and  
Matsuwaka,  
including various  
illustrations.

This is the perfect  
edition of my very first  
manga, Pure Water  
Adolescence, which was  
initially published in 2009.  
It includes an assortment  
of tidbits, like extras  
that I did for special  
occasions.

but for better or  
worse, I don't think  
I could draw this  
manga today.

I see my own  
work all the time,  
so it's not like I  
was searching for  
embarrassment.

How  
do you  
do?

Thank you  
for seeing so  
kind as to pick  
up the perfect  
edition of  
Pure Water  
Adolescence!

A  
great  
time.

My  
name is  
Kazuma  
Kono

The truth  
is, I foolishly  
deleted some  
of my work  
files by  
mistake.

That kind of  
ruined a hell  
out what  
was the story  
about? I don't  
remember!

**"Barnacle"?!  
Barnacle?!**

When I  
tweeted an  
announcement  
about the  
perfect  
edition.

Look-  
ing for  
an old  
manga  
I forgot  
ed!

Are there  
any stories I  
just don't  
have the  
data for  
anymore?

Because I was  
trying to work  
while I was  
half-asleep.

As I deleted  
a reply saying  
that it  
would be included?

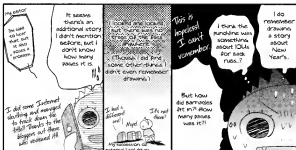

What is  
barnacle  
even? Is  
it with  
purple?

Will it  
include the  
"barnacle"  
story?

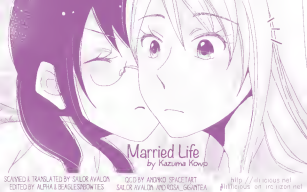

Yeah,  
right?

That  
was one  
of the  
responses I got
